Dear Sir,

Just before the summer of 2017, the redevelopment of the Strawinskylaan area was mostly completed. This work included the expansion and renewal of tram stops at Strawinskylaan. The work on the stops will soon be completed. We would like to provide you with some more information on this final phase.

#### **Construction work**

The temporary fence that is now in place along the tram stops will soon be replaced by permanent fencing. This benefits the safety of users of the public space.

#### **Days and times of work**

The work will be carried out in the evening and night of Monday 20 November, Tuesday 21 November, Wednesday 22 November and Thursday 23 November. The work starts at 22:00 and ends at 06:00 and is carried out in the evening and at night so as not to interrupt regular tram and bus services.

#### **What impact will the construction work have on you?**

We expect that the removal of the old fence and the installation of the new fencing will cause minor noise nuisance.

Unfortunately, construction work is often inconvenient, but we will try to limit the inconvenience as much as possible.

#### **Accessibility**

During the work on 20 and 21 November, the westbound carriageway on Strawinskylaan (side of Vijfhoek) will be closed to all traffic. Traffic will be diverted via Parnassusweg.

During the work on 22 and 23 November, the eastbound carriageway on Strawinskylaan (side of pentagon) will be closed to all traffic. Traffic will be diverted via Beethovenstraat.

Directions can be found at [www.zuidas.nl](http://www.zuidas.nl).

The parking facilities on Strawinskylaan will remain accessible, visitors to the facility will be assisted by traffic stewards. The closure will not affect tram 5 services and bus services in the area.

**Would you like more information?**

If you have any questions or comments after reading this letter, please feel free to contact us. You can contact us on telephone number 0800 5065 and by email at [contact@zuidas.nl](mailto:contact@zuidas.nl) You can also visit our website and follow us on Twitter for the latest news on construction work in Zuidas, [www.zuidas.nl](http://www.zuidas.nl) and [twitter.com/zuidasamsterdam](https://twitter.com/zuidasamsterdam).

Kind regards,

With kind regards,  
Zuidas

Astrid Jelierse
